## WEDDING FLOWER PACKAGE

Our classic wedding package offers an easy way to choose paper flowers for your special day. The package includes a bridal bouquet, one bridesmaid bouquet and two buttonholes. The flowers will be made from book pages from our library of salvaged books. All you need to do is choose your colour scheme, and we'll do the rest.

### SUPPORTING WOMEN

Page & Bloom is a social enterprise providing employment & training for women who have experienced domestic abuse. By choosing us for your wedding flowers, you'll be helping other women bloom and build a brighter future.

### CLASSIC BOUQUET DESIGN

The wedding bouquets are made of paper roses, our best seller for weddings! They provide a classic round bouquet shape that works well with most dress styles. The buttonholes are a matching miniature rose.

### COLOUR OPTIONS

White roses: a simple bouquet of white roses (unpainted book pages) with green foliage

Seasonal colours: a beautiful blend of spring, summer, autumn or winter tones to match the season of your wedding!
